

BALL CATCHERS

Required Materials

- ♻️ 2 plastic milk jugs or laundry detergent bottles

- ♻️ Sharp scissors

- ♻️ colored electrical tape or “painters’ paint markers

- ♻️ ball to play with

Step-By-Step Procedures

1. Wash and dry the milk jugs well before starting. *Note:* It may be easier to cut the bottom off of the containers first.
2. Cut off the bottom of the jug.
3. Cut a “U” shape under the handle (make sure you don’t cut into the handles).
4. Use the colored electrical tape or ‘painters’ paint markers to decorate the milk carton.
5. Have fun playing catch and toss with these fun toys.
