

BROKEN-CHINA FLOWERPOTS

Required Materials

- ♻️ recycled clay flowerpot

- ♻️ broken or cracked china

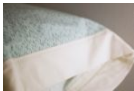

- ♻️ craft glue

- ♻️ tile grout

- ♻️ old pillowcase or towel

or

- ♻️ hammer

Step-By-Step Procedures

1. Place broken or cracked china in pillowcase or towel.
2. Break into 1 ½ inch size pieces using the hammer (*Kids* – please have an adult complete this step for you).
3. Glue the broken pieces onto the flowerpot using the craft glue and let dry.
4. Follow manufacturer's instructions to apply grout between broken china pieces.
5. Once completely dry, adding potting soil and your favorite plant or flower.
