

## **BUSINESS CARD HOLDER**

### **Required Materials**

- ♻️ photograph or picture

- ♻️ empty cassette holder

- ♻️ glue stick

- ♻️ card stock paper

- ♻️ scissors

- ♻️ hot glue gun (make sure younger kids have an adult to use the glue gun)

### **Step-By-Step Procedures**

1. Open up empty cassette case and fold top all the way back.
2. Business cards will fit in the pocket created by the open top.
3. Mount photograph or picture on card stock paper using the glue stick.
4. Cut the photograph or picture in a fun interesting way.
5. Hot glue to the lid flap.

**Note:** You can also hot glue any other objects that you desire to the front of the pocket.
