

# CANDY JAR

## Required Materials

- ♻️ recycled large wide-mouth glass jar with lid

- ♻️ assorted beads or candy (if you are making a Holiday themed candy jar, then chose candy pieces relative to that Holiday, i.e. Christmas – use broken candy cane pieces, Thanksgiving – use candy corn, Valentine’s Day – use candy hearts, etc.)

or

- ♻️ ribbon or lace

or

- ♻️ spray paint

- ♻️ pour-on epoxy finish

## Step-By-Step Procedures

1. Paint jar lid and let dry.
2. Glue candy and or beads to lid and let dry.
3. Cover the beads or candy with epoxy, according to manufacturer’s instructions and let dry.
4. Add ribbon or lace to lid and jar.
5. Fill with your favorite treats.
