

CHRISTMAS ORNAMENT DIFFUSER

Required Materials

- ♻️ glass/ceramic or metal Christmas ornament (with a flat bottom) Make sure there are no holes in the bottom of the ornament or the oil will leak out.

- ♻️ bottle of fragrant oil

- ♻️ bamboo skewers

Step-By-Step Procedures

1. Take the metal hanger off the top of the ornament by pulling it out.
2. Fill the ornament with fragrant oil of your choice.
3. Place the bamboo skewers in the oil.
4. Place the ornament on a mantle or table.
5. The skewers will slowly release the fragrance into the air.
