

FINGER CYMBALS

Required Materials

- ♻️ two small jar lids of the same size (baby food jar lids are just right)

- ♻️ thin elastic

- ♻️ hot glue gun (make sure younger kids have an adult to use the glue gun)

- ♻️ Scissors

Step-By-Step Procedures

1. Cut two 3-inch pieces of elastic.
2. Take one piece of elastic at a time and hot glue both ends to the inside of one bottle cap (making a loop).
3. Let dry for several hours.
4. Put your index finger in one elastic hoop and your thumb in the other and make some music.
