

# LIGHT BULB ART

## Required Materials

This craft is recommended for older kids and adults. If a younger kid would like to do this craft, please have an adult help you.

- ♻️ recycled light bulbs of different sizes (be careful handling the light bulb so that it doesn't break)

- ♻️ craft paint

- ♻️ felt

- ♻️ ribbon

- ♻️ fine paint brushes

- ♻️ empty toilet paper roll

## Step-By-Step Procedures

1. Paint the light bulb using the desired colors of paint and making the desired artwork and let dry.
2. Add the felt and ribbon to accessorize.
3. Cut the empty toilet paper roll down to the correct size (to be used as a stand for the light bulb)
4. Paint the empty toilet paper roll to match the painted light bulb and let dry.
5. Place the light bulb art on the empty toilet paper roll and display your art.
