

# NIGHTLIGHT/AIR FRESHENER

## Required Materials

- wide mouth tall jar or vase

or

- string of low heat lights

- lace

- ribbon or raffia

or

- potpourri

- scissors and glue

## Optional Materials

- pinecones

- decorations

## Step-By-Step Procedures

1. Loosely place string of lights in jar or vase with cord end spilling out of the top.
2. Leave plenty of cord to reach plug (you might even have to use an extension cord).
3. Fill in spaces with fresh potpourri of your choice.
4. Cut lace to decorate the top of the jar or vase and glue on.
5. Tie on ribbon or raffia around top of jar.
6. Heat from lights will warm the potpourri and give of sent.
7. *Optional* – When you add the fresh potpourri, you can also add pinecones or decorations for an added touch.
