

# PAPER HATS

## Required Materials

- ♻️ full size sheet of newspaper (comics would make these more colorful)

- ♻️ colored paper

- ♻️ left over tinsel from Christmas

- ♻️ masking tape

## Step-By-Step Procedures

1. Fold the newspaper in half lengthwise.
2. Fold in half again (bringing the top of the paper to the bottom).
3. Fold corners (on folded side) to middle. This will make a pointed top to paper.
4. Fold one piece of bottom of paper up to the bottom of pointed fold
5. Fold bottom again until it overlaps a little of the pointed part.
6. Turn hat over.
7. Fold sides in about 1 ½ to 2 inches (it will look like a house). For adults, fold in only about an inch or so (depending on what hat size you wear).
8. Fold bottom up twice (you may want to use tape to hold the flap in place).
9. Pull opening in hat apart to make a hat shape.
10. You can decorate with tinsel or colored paper.
