

## **PINE CONE BIRD FEEDER**

### **Required Materials**

- ♻️ large open pine cone

- ♻️ ½ cup peanut butter

- ♻️ 2 cups oats or corn meal (uncooked)

or

- ♻️ bird seed

- ♻️ string

### **Optional Materials**

- ♻️ dried fruit

- ♻️ nuts and/or sunflower seeds

### **Step-By-Step Procedures**

1. Tie string around the pine cone so that it will hang at the height that you would like.
2. Spread the food mixture (see below) on the pine cone.
3. Roll the pine cone in the bird seed.
4. Hang from a tree or stand and enjoy the birds.

### **Food Mixture**

1. Mix the peanut butter with the cornmeal or oats.
2. You can also add dried fruit or nuts (that have been chopped well) or sunflower seeds.
