

POP CAN MARACAS

Required Materials

- ♻️ clean un-dented aluminum soda/pop cans (use as many as you like)

- ♻️ un-cooked rice

- ♻️ masking tape (you can even use colored tape)

Optional Materials

- ♻️ permanent markers

- ♻️ construction paper

- ♻️ stickers

- ♻️ paint

Step-By-Step Procedures

1. Place $\frac{1}{4}$ cup of un-cooked rice into the empty dry aluminum can.
2. Using the masking tape, tape over the hole of the aluminum can so no rice can escape.
3. **Optional** – You can add more masking tape on the aluminum can for decoration. You can even use permanent markers, paint, stickers and construction paper to decorate your maracas.
