

# TIN CAN BEAN BAG TOSS

## Required Materials

- ♻️ 16 clean empty tuna, chicken or cat/dog food cans (file down any sharp edges)

- ♻️ hot glue gun (make sure younger kids have an adult to use the glue gun)

- ♻️ beanbags

- ♻️ permanent markers

## Optional Materials

- ♻️ craft paint or spray paint

or

## Step-By-Step Procedures

1. Glue food cans together using the hot glue gun (parents should do this step).
2. Let dry completely.
3. Using the permanent markers, give each can a point value number (writing on the inside bottom of each can).
4. Toss the bean bags and then add up the points to see who wins.
5. **Optional** – You can also use craft paint or spray paint to paint your cans before or after they are glued together.
6. **Optional** – You can also make your own bean bags by sewing together material and adding rice.
